Laser-Engraved Brick Paver Project

Giving your brick paver as a gift?

If you are giving your brick paver as a gift and want to have a personalized gift certificate, please telephone UWI at 704-695-1644 or email UptownWadesboro@windstream.net.

Want to use a clip art image?

Clip art is available for your brick paver at no extra charge. Go to www.brickmarkers.com/graphics.htm to view available clip art images. Make a note of the code number and enter that code on your order form. Please contact UWI to select a design layout for your brick paver if you wish to include clip art.

Individuals, churches, businesses or organizations may purchase a laser-engraved brick paver that depicts their name, family memorial, child's name and birthdate, wedding anniversary, class reunion, former business name, logo, etc.

The engraved pavers will be placed along with other pavers in the brick accent strip that lines the sidewalks on Wade and Greene streets in uptown Wadesboro.

Uptown Wadesboro, Inc. (UWI) will oversee the ordering/shipping process and the placement of the brick pavers.

You may request a specific location for your paver by marking the box on the Order Form and specifying the location. UWI will place your brick as close as possible to the requested location.

To view a sample paver, visit our office in the Scarborough Building at 107 East Wade Street in historic uptown Wadesboro.
